Subject: Kelvin Henry ABC57 *PLEASE READ*

Good afternoon,

This is Kelvin Henry from ABC57 in South Bend Indiana. I covered the President's speech last night in Grand Rapids where he vowed to fund the Great Lakes Restoration Initiative. I'm going a follow up story on what the initiative means and how it will help the community. Can we set up an interview this afternoon so I can gain some insight into the effort? I can be reached via this email or if you can call me at 5748559000

Thanks
